

Etesia Attila SKD Range

Ride-On Brushcutter Mower

Why Etesia Is Different

Unlike conventional ride-on mowers designed around the chassis, Etesia machines are engineered around the cutting system first. This delivers superior cut quality, airflow and grass collection in conditions where standard collectors struggle. Attila SKD stands out for its exceptional power, Ideal for tackling tall grass and stubborn undergrowth. Their robust design ensures durability even in tough working conditions.

Model	SKD
