

Etesia BAHIA MKM Range

Ride-On Collector Mower

Why Etesia Is Different

The BAHIA MKM offers top of the range mulching quality. It inherits the robustness, reliability and excellent ergonomics of the range's exceptional compactness, ultra short turn radius to sneak anywhere, excellent stability making it comfortable on slopes, auto gearbox for easy driving and a wheel scraper to avoid grass piles. Switching from high performance mulching to side ejection mowing thanks to an integrated deflector
